# HERBAL TEAS

## **Peppermint** *k,gf*

The classic! Fresh and pungent peppermint like you won't find it out of a bag. Pure, fragrant and uplifting. This is the best quality out there. Mint is good for the digestive system. It is cooling and helps with skin irritations and detoxification.

Ingredients: Peppermint leaves

## **Spearmint, Organic** *k,gf*

Nana Mint or spearmint is often used in North Africa for the Moroccan mint teas. Sweet and refreshing for any time of day. Spearmint is an excellent remedy for minor ailments such as headaches, nervous strain, fatigue and stress, as well as for the respiratory problems; helping with asthma, bronchitis and catarrh.

Ingredients: Spearmint leaves

## **Egyptian Chamomile** *k,gf*

Egyptian Chamomile is regarded the best quality on the market. Full buds impart a heady and earthy aroma as in the cup. Chamomile tea's most well-known benefit is as a sleep aid. It is known for its relaxing and soothing properties and is often taken before bed to promote restful sleep.

Ingredients: Chamomile blossoms

## Herbal Chai *k,gf*

A soothing, relaxing caffeine-free herbal mixture. A medley of spices combined with ginger and chamomile calms the nerves as well as the digestive system.

Ingredients: Apple chunks, chamomile, nettle, cinnamon, ginger, cloves, cardamom, star anise, natural flavours

## Summer Punch *k,gf,i*

Summer fresh herbal blend, caffeine-free but flavourful enough to start your day. This is a real eye opener!

Ingredients: Blackberry leaves, black current leaves, apple chunks, candied pineapple, bean peels, candied papaya, citric acid, pineapple chips, natural flavour, safflower petals

## Sleepyhead, Organic *k,gf*

Soothing and calming caffeine-free herbal with sweet orange, lemon and chamomile flavours. One of our favourite night time blends.

Ingredients: Rose hip, citrus peel, chamomile blossoms, lemongrass, hibiscus blossoms, natural flavour, spearmint

## Anise Herbal *k,gf*

Aromatic and soothing caffeine-free herbal with a great anise flavour. Sure to chase away the dampest stormy day.

Ingredients: Blackberry leaves, fennel, mullein flowers, ribwort leaves, balm, anise seeds, apple chunks, rose hip, marigold petals, elderflowers, elderberries, peony petals, natural flavour, peppermint

## Raspberry Leaf *k,gf*

Raspberry leaf has been used for centuries to ease labour pains, cramps and nausea. It is a rich and earthy herbal and doesn't retain any of the fruit flavour of the berries.

Ingredients: Raspberry leaves.

## Sweet Dreams *k,gf*

Relaxing herbal blend that aids in digestion and encourages deep sleep. A perfect calming combination of herbs and spices.

Ingredients: Rooibos, chamomile, apple chunks, nettle, cinnamon, ginger, cloves, cardamom, star anise, natural flavours

## Herbal Relaxer *k,gf*

A calming and soothing old time staple infusion. This classic blend is perfect to quiet down body and mind.
