INTRODUCTION

Welcome to our Elaborate Collection of Treasures!

Tea Squared is a Toronto based artisanal Tea company with deep roots in the tea industry.

I have searched the globe for the purest ingredients over the last 20 years and have had the pleasure to meet some of the most wonderful and passionate people out there. These friendships have made it possible to bring some of the finest, purest and most interesting teas and ingredients to Canada.

We take great pride in developing our teas and blend them in our Toronto facility.

We want to be mindful of how we impact nature and inspire others to do the same. That's why our teas are ethical sourced, sustainable and constantly tested for purity.

Our teas are non GMO, gluten free and we don't use any artificial ingredients.

GREEN TEA

Sencha Fujiama gf

Pure Japanese green tea of superior quality. Fresh and grassy with sweet undertones. This tea comes from Japan's premier growing regions and satisfies by hitting all the right notes. A purist's delight.

Ingredients: Green tea

Gunpowder Organic k,gf

Gunpowder received its name because the tightly rolled leaf's reminded of gunpowder pellets. The strongest amongst green tea with a slightly smoky flavour.

Ingredients: Green tea

Genmaicha gf

Widely known as "Popcorn Tea". Japanese Sencha with layers of roasted rice. This process gives the green tea an outstanding and soothing nutty flavour and more body than other green teas.

Ingredients: Green tea, roasted rice

Gyokuro k,gf

The Queen of Japanese teas. Gyokuro is produced by covering the plants with curtains (shading). This unique process increased chlorophyll content and reduces bitterness. Grassy with seaweed notes and undertones of fresh spring sweet peas. A divine tea.

Ingredients: Green tea

Houjicha Organic gf

Popular Japanese twig tea. Houjicha is harvested in the pristine Mie prefecture and charcoal roasted. Most Japanese teas are steamed and this process imparts a unique robust malty aroma on this beautiful nutty tea. Low in caffeine.

Ingredients: Green tea

Long Jing Pre-Qingming Xi HU k,gf

Long Jing green tea is among the top teas in China. It has also earned a reputation as "The Queen of Green Tea." Long Jing has a long history that dates back to the Song Dynasty. Authentic Long Jing is grown in five villages surrounding the famous Xihu (West Lake) in Hangzhou. Shifeng (Lion Summit) village produces the best of the best. Pre-Qingming Long Jing must be picked before the Qingming Festival, beginning of April. Due to the small annual yield and the high domestic demand in China, authentic Pre-Qingming Xi Hu Long Jing is very exclusive and difficult to obtain. The perfect green bud-sets exude a warm chestnut flavour and the tea broth is round, mellow and brisk.

Ingredients: Green tea

Tai Ping Hou Kui k,gf

Bright, clear liquor with light yellow hue. Floral and lingering. Undertones of roasted bamboo leaf, grilled vegetable and honey. Best brewed in a tall glass. Good for multiple infusions.

Ingredients: Green tea

STONE GROUND

Matcha Ceremonial Grade, Organic

k,gf

Matcha is made from Gyokuro, Japan's highest grade and most prestigious green tea. The leaves are de-veined and slowly stone ground into a fine powder. Matcha can also be used in cooking, baking and for power shakes. Matcha contains higher concentrations of antioxidants than any other tea.

Ingredients: Green tea

Matcha B, Cooking Grade k,gf

Stone ground Sencha undergoes the same process as Matcha. The leaves are de-veined and slowly stone ground into a fine powder. Stone ground Sencha can also be used in cooking, baking and for power shakes. It contains higher concentrations of antioxidants than full leaf teas.

Ingredients: Green tea

Ryokucha - Matcha/Genmaicha k,gf

Smooth and grassy blend of antioxidant and vitamin rich matcha with fresh green tea leaves and roasted brown rice.

Ingredients: Green tea, stone ground green tea, roasted rice

Our Matcha comes from one of Japan's best growing regions "Mie" and we receive fresh imports every 2 months.

Matcha is made from shade-grown tea leaves and starts by making a full leaf green tea. The tea bushes are covered 3 weeks before the harvest to prevent direct sunlight exposure. Only the youngest leaves are then picked for production and the raw tea is called "Tencha". The leaves are de-veined and meticulously stone ground. It can take up to one hour to grind 30 grams of matcha.

Matcha is an antioxidant powerhouse. One serving of Matcha tea contains the nutritional value of 10 cups of regular brewed green tea. When drinking Matcha, the entire leaf is ingested and the body absorbs 100% of the nutrients of the leaf. Matcha has 137 times more antioxidants of regularly brewed green tea. This gives one cup of Matcha the nutritional advantage over other teas.

Green tea and Matcha contain an important type of antioxidant, not found in other foods. EGCG (epigallocatechin gallate). EGCG provides potent cancer-fighting properties. EGCG and other catechins counteract the effects of free radicals from the likes of aging, disease, pollution, UV rays and chemicals, which can lead to DNA and cell damage. An astonishing 60% of the catechins in Matcha are derived from EGCG, thus, a daily dose of Matcha can help restore and preserve the body's well-being and help protect against cell damage.

WHITE TEA

White Hair Silver Needle Organic - Yin Zheng, gf

This top grade organic white tea is highly sought after and available only in extremely small quantities. Bai Hao (Silver Needle) is produced at the onset of spring and only the unopened buds are used to create this masterpiece. It takes 10,000 painstakingly hand picked buds to produce one Kilo of this tea. The liquor is silky and buttery with distinct nutty and floral notes. Herbaceous creamy notes come alive through the infusions.

White Needle - Yin Zheng, gf

The pinnacle of quality when it comes to white tea. Only the buds are used and harvest is restricted to a few weeks in spring. This tea is delicately processed and sun dried. Smooth peachy and buttery flavours develop over the multiple infusions this tea will provide. The peachy down on the leaf is a sign of its superior quality.

Ingredients: White tea

White Peony Organic - Pai Mu Tan k,gf

Ingredients: Oolong tea

Da Hong Pao Organic – Big Red Robe gf

One of the most famous teas in China, Da Hong Pao 'Big Red Robe', or more poetically, 'Grand Scarlet Robe' is surrounded by myth and legend. This is believed to be a wild variety, naturally adapted to the rocky cliffs of the Wuyi Mountains in northern Fujian. For many years, the extremely limited harvest plucked from these trees was reserved for China's most elite tea drinkers, and was even presented to President Nixon when he visited in 1972. Today, harvesting from the four original trees has been banned altogether.

Ingredients: Oolong tea

PU-ERH

Shou Pu-Erh gf

- Tea Squared products offer great value to the customers and exceptional margins to the operator.

ORGANIC MATCHA FOR RETAIL

IT'S ONLY NATURAL...

Meet Your Matcha - Matcha Goes Mainstream

More than a thousand years ago, Buddhist monks in Japan began a daily ritual of grinding **green tea leaves** into powder, mixing it into hot water with a bamboo whisk, then sharing the tea from a single cup.

Today, **Matcha** is considerably less monastic. It's being blended into lattes, dusted onto cheesecakes, mixed into chocolate, even infused in bourbon.

Ingredients: Organic Japanese Matcha

Tea Squared Matcha is packaged in environmentally friendly, easy to handle, re-sealable pouches.

DESCRIPTION: Tea Squared Matcha Tea
FORMAT 6 x 40 g
UPC 628055951162
